- [Suspensions of Operations and/or Production | Bureau of Land Management \(blm.gov\)](#)

Join GPI's Team as a State and Regional Outreach Manager

The Great Plains Institute's carbon management team is looking to hire a [State and Regional Education & Outreach Manager](#). The manager will support and coordinate efforts to effectively implement federal policy on the ground in states and regions, serve as the primary point of contact for project partners and stakeholders, as well as needed complementary state policies. The Manager will work across our projects to track state-level regulatory filings and legislation, develop and distribute educational materials, and provide technical support and analyses to state officials and stakeholders. We would greatly appreciate it if you could share this job listing with your stakeholder networks. Please feel free to reach out with any questions about the position.

To subscribe or request to add an event, news story, report, blog, or job posting to the update please reach out to Emma Thomley at ETHomley@gpisd.net Want to read more carbon management updates, studies, and fact sheets? Visit us at [Carbon Capture Ready](#).
